Please explain how the activity will promote the interests of the Commonwealth, a county or a municipality.	Each year, the Toll Fellowship brings 48 of the nation's top officials from all three branches of state government to Lexington, Kentucky, for an intensive five-day, "leadership experience." The program's sessions are designed to stimulate personal assessment and growth while providing priceless networking and relationship-building opportunities.This opportunity will strengthen mu effectiveness as a public servant by exposing me to new approaches to leadership, collaboration, and public policy from senior officials across the country and across all three branches of government. The Fellowship will help bring broader perspectives and new ideas back to Massachusetts, particularly in addressing emerging issues in gaming.
